

Event Recap – Cairnhill MCV, Escort for VIPs - 7 June 2009

As part of the Singapore Community Harley Davidson Riders have a high profile and a reputation as safe and well organised riders. We can even add to the profile of our Community leaders.

Ms Indranee Thurai Rajah, MP for Tanjong Pagar GRC and Deputy Speaker, invited us to escort herself and the Minister for Manpower, Mr Gan Kim Yong, between two community events as part of the Tanglin – Cairnhill Ministerial Community Visits (MCV) programme.

This event was not widely publicised, as only six bikes were requested, so we made up the group from members of the committee.

We had hoped that the VIPs would actually ride on the Harleys, and Ms Indranee hoped for that also, but that was not to be. The VIPs rode in two Jeeps behind our bikes.

We met up with the VIPs at the Cairnhill CC and rode down Orchard Road in great weather attracting plenty of attention, before turning into the crowded forecourt of Plaza Singapura. We were treated like the VIPs that we were escorting, and many of the audience wanted their photos taken with us (and our bikes!).

Thanks to those who gave up their Sunday morning for keeping the name of Harley Davidson and the Harley Owners Group in high profile.

Ride Safely and Have Fun!
Agnes
